

# SMART Goals Canvas

**Business Name**

**Date**

<b>SMART Goal</b> Define your Specific, Measurable, Achievable, Relevant, Time-bound Goal.	<b>Current State</b> What is the current state that the SMART goal is going to change?	<b>Priority</b> You can't do everything at once. What's the order of attack?	<b>Timeline</b> When does the SMART goal need to be completed?	<b>Dependencies</b> What things need to happen (or not happen) to allow the SMART goal to be completed?
